unleashing the power of IT

LAUNCHPAD

PlanetMagpie's Complete IT & Office Solution for New Ventures

A new venture must execute efficiently. Office space, furniture, computers, servers, a phone system, communication lines, printers, email, document management, accounting software, web hosting—all necessary, but distractions from strategic objectives.

Simplify your launch with PlanetMagpie's Launchpad. All facilities and business services are included in Launchpad. Our Microsoft Gold-certified engineers and developers will get your new company setup fast, so you can get right to work.

INCLUDED IN YOUR LAUNCHPAD

Complete IT Solution

» IT Systems

- Dedicated Microsoft Windows 2012 setup for your files, hosted on a private cloud in PlanetMagpie's datacenter and backed up daily
- Network/Desktop Support—four hours per month included
- High-speed internet access—wired and wireless

» Unified Communications

- Microsoft Lync Server 2013 VoIP telecom system, with IM, video, presence, and conferencing capabilities built-in
- Exchange Server 2013 email

Complete Office Solution

- » 1,910 square feet of private, fully-furnished office space with up to 9 fully-wired employee work stations
- » Located in Fremont's Innovation District, right off 880, providing a central location for the entire Bay Area

2766 Bayview Drive, Fremont, California

OPTIMAL LAUNCH OF YOUR NEW VENTURE

- » Fully scalable and transferable Managed IT Services
- » One IT partner to interface with
- » No in-house IT staff needed
- » No servers, switches, firewalls, or office furniture to buy (none!)
- » Microsoft financing available

Apollo 11 Launch, Kennedy Space Center, 1969

Microsoft Partner
